

Creyconfe®
desde 1967

Ho.Re.Ca
VESTUARIO PROFESIONAL
UNIFORMS

EXPLICACION DE SIMBOLOS - SYMBOL EXPLANATION

Rico en Algodón.
Cotton Rich.

Posible lavado en lavadora.
To wash in washing-machine.

Elasticidad.
Stretch.

Excelente transpiración.
Breathable.

Adecuado para ambientes cálidos.
Suitable for warm ambients.

Cómodo.
Comfortable.

Con Cremallera.
With a Zipper.

Resistente a las salpicaduras de lejía/cloro.
Bleach splashes resistant.

TENCEL® reduce olores malos y evita un entorno de desarrollo de bacterias.

Es importante que las prendas profesionales absorban bien la humedad. TENCEL® absorbe hasta un 50% más de la humedad que el algodón.

El vestuario profesional fabricado con la fibra TENCEL® puede ser lavado sin alterar la forma el color. Como resultado, los tejidos de TENCEL® son excepcionalmente resistentes y duraderos.

La combinación de propiedades como el control de la humedad, el efecto refrescante y la suavidad de la superficie de la fibra ayudan a evitar irritaciones en la piel y a mantener su respectivo equilibrio. Además, la fibra TENCEL® no tiene sustancias químicas adicionales lo que la convierte en naturalmente pura.

Comparada con otras, la fibra TENCEL® permanece considerablemente más fresca cuando la temperatura exterior aumenta.

TENCEL® reduces bad odors and does not provide an environment conducive to the growth of bacteria.

It is important that professional clothing absorbs moisture. TENCEL® absorbs up to 50% more moisture than cotton.

Professional clothing made of TENCEL® can be washed without altering the shape or color. As a result, textiles of TENCEL® are exceptionally durable.

The combination of properties such as moisture management, a cooling effect and a smooth fiber surface help to prevent skin irritations and maintain a skin balance. In addition, TENCEL® is not burdened with chemicals making it naturally pure.

Compared with other materials, TENCEL® feels considerably cooler when the temperatures rise.

Microfibra 100% antibacteriana.
Repelente a los fluidos y transpirable.
Solidez excelente del color tras el lavado.
No necesita plancha.

Microfibre 100% antibacterial.
Fluid repellent and breathable.
Color-fast after machine wash.
Ironing not necessary.
