

THE INSTRUMENTS OF TASTE

PEUGEOT SAVEURS RANGE 2023

PEUGEOT OUR EXPERTISE

Based in Quingey in France's Doubs region, Peugeot's factory employs 140 people and manufactures the world's best-known mills!

The whole process is carried out onsite – from design, to technical development, to production.

The wood is turned, varnished or painted, while the mechanisms are machined and assembled with painstaking care, reflecting Peugeot's expertise in crafting wood and steel.

EXPERTISE IN FOUR KEY AREAS

METAL

Ever since the company was founded, metalworking has been the driving force for Peugeot's ingenuity. In 1840, the first mechanism was engineered from high-quality steel to guarantee an unrivalled level of durability. We are so sure of our quality that our mechanisms come with a lifetime warranty.

WOOD

Our factory features one of the largest woodturning facilities in Europe. We can draw on our traditional expertise to design and produce the mills in our factory from start to finish. Our turning skills can transform a rough block of wood into a stylish table mill.

PAINTING

Once the wood has been turned in our workshops, it is painted in a wide range of colors, whether natural finishes, bright colors, matte tones or lacquer.

ASSEMBLY

All Peugeot mills are assembled in our workshops. Every piece passes through our employees' expert hands as they constantly focus on scrutinising every mill for the slightest imperfection and assembling our mills with the greatest of care. As such, we can guarantee that our products offer the ultimate in quality and harmony.

If our company ever requires an area of expertise that lies outside the company, we only work with the most exclusive partners. For example, the European glass factories that produce our decanters are experts in the traditional technique of mouth-blowing and hand-finishing glass, meaning that every product is truly unique.

PEUGEOT SAVEURS SNC - ZA La Blanchotte 25440 Quingey France
Tél. +33 3 81 63 79 00 - Fax +33 3 81 63 66 08 - Email : contact@peugeot-saveurs.com

I - SCOPE OF APPLICATION

1.1 These Standard Terms and Conditions of Export Sales apply to all orders, deliveries and services between PEUGEOT SAVEURS SNC, an unlimited partnership incorporated in the Besançon Register of Companies under number 676 180 169, whose registered office is located at La Blanchotte, 25440 QUINGEY, FRANCE (hereinafter «PEUGEOT SAVEURS»), and its customers, whose registered office or invoice address is located outside mainland France (hereinafter the «Customer»).

1.2 With the exception of any special terms and conditions, endorsements or amendments hereto expressly agreed by the parties in writing, the relationship between the parties shall be governed exclusively and exhaustively by these Standard Terms and Conditions of Export Sales.

1.3 Any failure by PEUGEOT SAVEURS to exercise any one of the provisions hereunder at any time shall not be construed as a waiver of its right to subsequently enforce the same provision. Similarly, if any one of the provisions herein is held to be invalid, the remaining provisions will remain in full force and effect.

II - ORDERS

2.1 Orders that are placed in pursuance of these Standard Terms and Conditions of Export Sales will only be validated if expressly accepted by PEUGEOT SAVEURS. When the Customer is not required to make payment in advance, the sales agreement will become binding when PEUGEOT SAVEURS issues an order confirmation.

2.2 Once the order has been validated as set out in 2.1 above, the Customer may not withdraw, amend or cancel the order on any grounds whatsoever unless specifically agreed in writing by PEUGEOT SAVEURS. Any payment made upon placing an order will be retained as a deposit by PEUGEOT SAVEURS. Any amendments or additions to the order, especially relating to delivery times, quantities and products, will be subject to express authorisation from PEUGEOT SAVEURS.

2.3 The Customer shall take delivery of the goods on the date specified by PEUGEOT SAVEURS or make arrangements with a third party to take delivery in its name and on its behalf. The order will be deemed to have been effectively received by any apparent agent whatsoever designated by the Customer. Receipt of the order at the time of delivery with respect to both the quantity and condition of the parcels supplied,

III - DELIVERY TERMS AND TIMES

3.1 Unless otherwise expressly stated, each party's delivery-related obligations (transport, insurance, customs clearance, etc.) are as defined by the EX WORKS Incoterm (2020 version of the INCOTERMS published by the International Chamber of Commerce). Therefore, the Customer will be responsible for the goods upon collection by its carrier at PEUGEOT SAVEURS' premises. Even if PEUGEOT SAVEURS chooses the carrier instead of the Customer, the Customer will remain the carrier's contracting party, and PEUGEOT SAVEURS will only be acting on the orders and on behalf of the Customer. In any case, this eventuality will under no circumstances constitute a waiver of the principles arising from the EX WORKS Incoterm.

3.2 Prior to shipment, the Customer agrees to provide PEUGEOT SAVEURS with all information concerning the additional elements and/or documents required in the destination country in a timely manner.

3.3 The delivery times are provided for information only without any warranty from PEUGEOT SAVEURS. Late or partial deliveries may under no circumstances constitute grounds for the Customer to cancel the sale or claim compensation from PEUGEOT SAVEURS.

3.4 The Customer shall take delivery of the order on the date specified by PEUGEOT SAVEURS or make arrangements with a third party to take delivery in its name and on its behalf. The order will be deemed to have been effectively received by any apparent agent whatsoever designated by the Customer. Receipt of the order at the time of delivery with respect to both the quantity and condition of the parcels supplied,

unless the Customer or carrier reports any issues with the goods.

3.5 If the Customer fails to collect the goods on the agreed date, PEUGEOT SAVEURS may take any measures necessary to store the goods at the Customer's expense, or arrange for the goods to be delivered at the Customer's expense if the Customer fails to take action after receiving notice to collect the goods. The Customer will be automatically liable without any prior formality towards PEUGEOT SAVEURS for any storage and handling costs incurred. If the Customer fails to take delivery of the goods after receiving notice thereof and such failure is not cured or remedied within eight (8) days, PEUGEOT SAVEURS may terminate the sale without prejudice to its other rights. PEUGEOT SAVEURS may cancel all other subsequent deliveries that have been scheduled for the Customer. The Customer will be liable for any losses or expenses that PEUGEOT SAVEURS may incur in this respect, and PEUGEOT SAVEURS will retain by way of a penalty any instalments paid.

3.6 In the event of an issue with the quantities and condition of the parcels delivered, the Customer will have forty-eight (48) hours from receiving the parcels on its premises to report any such issues to PEUGEOT SAVEURS in writing. If the Customer fails to report any issues in the aforementioned time, the parcels will be deemed to conform to the order in terms of quantity and quality. Any claims relating to the quantity and/or quality of the parcels that are submitted after the 48-hour period will be null and void.

3.7 The return of goods will not be accepted without prior authorization given in writing by PEUGEOT SAVEURS. If authorised, goods must be returned in their original packaging.

IV - PRICES AND PAYMENT

4.1 Unless otherwise stipulated, all prices are stated exclusive of VAT, exclusive of shipping costs and at the applicable rate, ex-works, according to the PEUGEOT SAVEURS price lists and schedules, as of the day the order is accepted or as of the delivery date if delivery is requested for a date later than the change in price. PEUGEOT SAVEURS invoices shall be paid according to the details and terms specified on the order confirmation or pro forma invoice. In case of a partial delivery, PEUGEOT SAVEURS may issue a corresponding invoice. The Customer's bank drafts and cheques will only be considered as payment after they have actually been cleared and cashed, and provided that adequate funds are available.

4.2 In the event of a change in the Customer's legal, financial or economic situation, PEUGEOT SAVEURS shall be authorised to unilaterally modify any debt ceiling granted and/or the payment times and terms without prior notice, even after orders have been partially fulfilled. In particular, PEUGEOT SAVEURS may require a cash payment prior to delivery.

4.3 In the event of failure to pay any sums owed as part of the relationship between PEUGEOT SAVEURS and the Customer, the consequences below will occur on the day following the payment due date indicated on the invoice issued by PEUGEOT SAVEURS:

- The fulfilment and delivery of all current orders will automatically be suspended.
- All outstanding bills will become immediately payable in full, and any discounts granted will automatically be cancelled.
- The Customer will become subject to the imposition of a penalty set at three times the applicable legal rate in France, and such penalty will be immediately payable and shall accrue from the past due date until payment has actually been made in full, without prejudice to all other rights and remedies, and the imposition of a fixed charge

to cover collection costs as stipulated in Section D 441-5 of the French Commercial Code (currently forty (40) euros).

4.4 Any delay in payment or any unilateral modification to the payment terms without prior written authorisation from PEUGEOT SAVEURS will result in the same consequences as non-payment.

4.5 If the Customer fails to comply with any one of the provisions in these Standard Terms and Conditions of Export Sales or any one of the special conditions stipulated in the pro forma invoice and/or order confirmation, PEUGEOT SAVEURS will retain any instalments paid by the Customer by way of damages, without prejudice to any other rights and remedies.

V - RETENTION OF TITLE CLAUSE

5.1 PEUGEOT SAVEURS will retain ownership of all the goods delivered until the principal, tax and ancillary costs have effectively been paid in full. Failure to meet any one of the payment due dates may lead to a claim to recover the products ordered.

5.2 Upon delivery and until the price has been paid in full, the Customer agrees to store the products sold in such a manner that they can always be identified and not confused with other goods. The Customer may not modify, transform, alter or resell the products. The Customer will continue to be liable for the risks of loss or deterioration in the products delivered, as well as any damage that the products may incur or entail, irrespective of the cause, including cases of force majeure and events beyond its reasonable control.

5.3 Until the delivered order has been paid in full to PEUGEOT SAVEURS, the Customer shall not pledge the products supplied or assign ownership thereof by way of security. If a third party seizes or attempts to seize the products, the Customer shall assert the right of ownership and promptly notify PEUGEOT SAVEURS. The Customer will be exclusively liable for all expenses incurred in applying this retention of title clause.

5.4 If the validity of the retention of title clause stipulated in 5.3 is subject to specific conditions or laws in the destination country, the Customer is responsible for complying with such conditions or laws, so that this clause may remain in full effect. In any case, the Customer shall notify PEUGEOT SAVEURS accordingly, especially if its ownership is at risk due to measures taken by third parties or the authorities.

5.5 The Customer will be liable for all litigation costs incurred in applying this clause and filing a claim to recover unpaid goods.

VI - PRODUCT QUALITY

6.1 The Customer is bound to inspect the supplied goods on receipt. Any patent defects in the products supplied must be reported within fifteen (15) days of receipt. The products concerned will only be replaced or refunded, and will not give rise to any contribution towards any direct and/or consequential damage incurred. PEUGEOT SAVEURS will be free to decide what will happen to the products, whether it be their return, replacement or refund.

6.2 In the event of a latent defect, PEUGEOT SAVEURS will only be bound to replace the products, and the products concerned will not give rise to any contribution towards any direct and/or consequential damage incurred. Any claims must be brought within two (2) years of discovering the latent defect. In all cases, no claims may be brought after a period of five (5) years after the Customer has received the product in question, even if the defect or fault is discovered after that date.

6.3 Products will only be replaced as specified in 6.2 if the Customer has sent written notice of the defect with confirmation the same day to PEUGEOT SAVEURS by registered or certified mail with return receipt requested and has immediately returned the products, including payment of transport costs, to the address indicated by PEUGEOT SAVEURS after receiving written authorisation from PEUGEOT SAVEURS.

6.4 The Customer shall not attempt to repair, or appoint a third party to repair, the defects or faults liable to affect the products supplied.

VII - USE OF TRADEMARKS AND PROMOTIONAL ITEMS

7.1 These Standard Terms and Conditions of

Export Sales do not grant the Customer any title to the intellectual property rights and trademarks associated with the products sold by PEUGEOT SAVEURS. The Customer shall not sell any counterfeit goods, or products whose resemblance to PEUGEOT SAVEURS' products could generate confusion in the minds of the public, whether such confusion comes from the actual product, its packaging, its trademark, its logo or any other identifying marks.

7.2 If presentation materials are made available to the Customer, they may only be used to present PEUGEOT SAVEURS products to the exclusion of any other products. If the Customer fails to comply with the provisions of these Standard Terms and Conditions of Export Sales, PEUGEOT SAVEURS reserves the right to immediately recover possession of the materials.

VIII - FORCE MAJEURE

8.1 PEUGEOT SAVEURS will automatically be discharged from its obligations in case of force majeure or events including but not limited to: workplace conflicts, total or partial strikes at PEUGEOT SAVEURS or its suppliers, service providers, carriers, postal services or public services, unavailable raw materials or energy, mandatory injunctions issued by public authorities, operational accidents, broken machinery, wars, earthquakes and fires.

8.2 PEUGEOT SAVEURS will keep the Customer promptly informed of any events of force majeure occurring during the performance of these Standard Terms and Conditions of Export Sales.

X - GOVERNING LAW AND DISPUTE RESOLUTION

9.1 These Standard Terms and Conditions of Export Sales, including any instruments that are a consequence or result hereof, shall be governed by and construed in accordance with the laws of France, without regard to any conflict of law or legislation rules that would cause the application of the laws of any jurisdiction other than France.

9.2 In the event of a dispute concerning the interpretation of the provisions in these Standard Terms and Conditions of Export Sales and a translation thereof in another language, the French version will be the sole controlling text.

9.3 Any disputes will be referred to the Besançon Commercial Court (France), which shall have exclusive jurisdiction and venue, notwithstanding third-party proceedings and multiple defendants, including summary proceedings or conflicting jurisdiction clauses, irrespective of the terms of sale and the method and place of payment agreed or applied.
