

Wood & Food

— SERVING IS OUR NATURE —

Wood&Food brings serving and kitchen products that preserve the authenticity, warmth and natural look of wood and that fit about any occasion. From a cosy dinner at home with friends or family to a stylish buffet presentation in a hotel or restaurant. Wood&Food is the perfect match for any colour and style and adds personality to your table setting.

Santo

The Santo serving boards are made from sustainable acacia wood. It is a hard and rigid wood. The board itself is already a pleasure for the eye, but they are even more loved when you use them to serve appetizers. This series of Wood&Food has a trendy and ethnic look. The wooden fibers create a contrast with the soft, round and oval shape of the product. The grain of the wood ensures that each piece is unique.

Essential

A beautiful presentation leads to a more enjoyable meal. And what better way than to add some wood to your table setting? The wooden serving boards and trays of Essential are made of acacia or mango wood, both sustainable and decorative. The wood has a fine grain with beautiful warm flame drawings in various colour shades. Its colour is naturally light brown, and is effective at bringing warmth into interiors, without darkening the decor.
